Name:	Sample ID:	Livestock:	Analysis Package:	Date Sampled:	Date/Time Dropped off:

## Sampling Instructions:

1. Label samples cups with (Sample ID) and (Date Sampled).
2. Fill out sample submission form above.
3. For Liquid and Semi-Liquid Samples mix the manure site before sampling. Take sample pulls from various locations (minimum of 3 locations) within the manure structure. Fill the cup!
4. For Solid Manure Samples: Take samples or pulls from various areas of the manure pile (minimum of 3 locations). Mix into a bucket to homogenize the sample and fill the cups provided. Fill the cup!
5. **Ensure the caps are not cross threaded and make sure the orange caps are on tight!!!**
6. Place manure upright in the shipping box.
7. Fold and place this form in the box on top of the samples.
8. You can either mail the sample or drop it off at one of our EPLocations.
  1. For a list of EPLocations and package prices please look at the other side of this form.

North American Proficiency Testing

# Manure Analysis Test Packages

## **Land / Manure Management Package \$25.00**

• Total Nitrogen • Phosphorus • Potassium

## **Basic Manure Package \$40.00**

• Total Nitrogen (TKN) • Ammoniacal Nitrogen • Organic Nitrogen • Phosphorus (P2O5) • Phosphorus (Total) • Potassium • Calcium • Magnesium • Sodium • Manganese • Copper • Iron • Zinc • Boron • Sulfur • pH • EC • Moisture • Total Dissolved Solids (TDS)

## **Total Nitrogen & Phosphate Fertilizer Package \$40.00**

• Nitrogen as Nitrate • Total Nitrogen • Ammoniacal Nitrogen • Organic Nitrogen • Phosphate (P2O5) • Total Phosphorus

## **Lagoon Water Package for Land Application \$40.00**

• Total Nitrogen (TKN) • Ammoniacal Nitrogen • Organic Nitrogen • Phosphorus (P2O5) • Phosphorus (Total) • Potassium • Calcium • Magnesium • Sodium • Manganese • Copper • Iron • Zinc • Boron • Sulfur • pH • EC • Moisture • Total Dissolved Solids (TDS)

## **Manure Test Package for Land Application \$40.00**

• Total Nitrogen (TKN) • Ammoniacal Nitrogen • Organic Nitrogen • Phosphorus (P2O5) • Phosphorus (Total) • Potassium • Calcium • Magnesium • Sodium • Manganese • Copper • Iron • Zinc • Boron • Sulfur • pH • EC • Moisture • Total Dissolved Solids (TDS)

## **Compost Package \$75.00**

• Total Nitrogen (TKN) • Ammoniacal Nitrogen • Organic Nitrogen • Phosphorus (P2O5) • Phosphorus (Total) • Potassium • Calcium • Magnesium • Sodium • Manganese • Copper • Iron • Zinc • Boron • Sulfur • pH • EC • Moisture • Total Dissolved Solids (TDS)
